BIOGRAPHY

Melbeatz, the "**Queen of Beats**," is a renowned German music producer with Gold and Platinum status. As the first and only female hip-hop producer in Germany, she has shaped the scene for over two decades and set groundbreaking standards. Her debut album as a producer is an impressive testament to her exceptional talent, featuring collaborations with greats such as **Kanye West**, Kool Savas and Jan Delay.

Her influence on the German hip-hop sound has been profound and has left a lasting mark on the genre. Melbeatz is not confined to any single genre and has effortlessly left her artistic imprint across various musical landscapes, whether in EDM, pop or R&B.

Her versatility also extends into film, where her music was featured in the acclaimed work "Knallhart" and was honored with the prestigious "**German Film Award**" for Best Film Score.

As a jury member at the "**GEMA Music Authors' Award**" in 2019, she contributed to one of Germany's most significant music award ceremonies.

Melbeatz remains a trailblazing figure who, through her music, crosses the boundaries of various genres and continues to leave a lasting influence on the German music landscape.
